The left screenshot shows the 'Sign up for Schoology' form. It includes a 'Back' link, a parent access code 'T28N-8HWV-C274', and input fields for first name 'Jane', last name 'Doe', email 'name@example.com', and two password fields. There are checkboxes for 'Subscribe me to the Schoology Exchange blog' and 'By clicking Register, you are agreeing to our Privacy Policy and Terms of Use'. A blue 'Register' button is at the bottom.

The right screenshot shows the user profile dropdown menu. It features a notification bell icon, a profile picture, and the text 'Parent Name' with a dropdown arrow. Below are two child entries: 'Parent Name' with a green checkmark and 'Child's Name' with 'Pocomoke Elementary' below it. There is an 'Add Child' button with a plus icon, and links for 'Your Profile', 'Pocomoke Elementary', 'Settings', and 'Logout'.

6. You also have the option to associate additional children using Schoology with this account. To associate additional children, click the down-facing arrow in the top right of your Schoology account, select Add Child, and enter the Parent Access Code of your other child/children.

The 'Add Child' dialog box has a dark title bar with the text 'Add Child' and a close button (X). The main content area has the label 'Child Code: \*' and an empty text input field. At the bottom, there are two buttons: 'Use Code' and 'Cancel'.
